Protect your business

Setting up your HR the right way can help you avoid fines and lawsuits down the line. Our Concierge plan gives you the tools and expert guidance to help you be proactive about being compliant.

\$2,000 The starting ACA penalty per employee

\$75,000 The maximum fee for a first violation of the Americans with Disabilities Act

\$160,000 The average cost of an employment lawsuit

These numbers come from the [IRS](#), the [ADA](#), and the [Hiscox Guide](#) to Employee Lawsuits.

“As a fast-growing startup, having access to an HR professional through Gusto is very valuable to us in the instances when we need it. HR is kind of like an insurance policy — it may not seem that important initially, but what if the roof caves in?”
